N: Kerry. Mystery. He was to have been on ABC's AM tv today after several segments with em and Jack Andersen yesterday. No appearance, no explanation. I monitored both segments be certain. Brt Earlier he had said he was quitting this country. Then he said that at happened in Chile was JFK's fault, that the efforts to bribe include the accepting llende, and that the ultimate dirtyworks were over his expressed objections. He says that here will be indictments from his conversations with DJ, one for sure Helms, a probable high corperate executive, and that there may be a conspircy charge added to perjury. He as not able to hide his authoritarian belief that us running them is proper. HW 1/19/77
